**Project Title:** Maidu Skate Park Improvements

**Project Location(s):** 1550 Maidu Drive, Roseville CA 95661

**Project Description:** The project is the renovation of the existing Maidu Park skate track. Parks, Recreation and Libraries staff sought public feedback via several virtual and onsite meetings on desired features, design, elements, and construction materials that should be used for the renovation. Following the outreach process, staff reached out to specialists in skate park design and construction and determined that Spohn Ranch, Inc. could best meet the City's objectives for the skate park renovation. The renovation will replace existing skate park elements with built-in concrete features that meet the community's desires. All work will occur within the existing footprint of the skate track, and there are no environmentally sensitive resources located onsite.

**Public Agency Approving Project:** Roseville City Council

**Agency/Individual Carrying Out Project:** City of Roseville Parks, Recreation and Libraries Department

**Reason why this Project is Exempt:** This project qualifies for a Class 1 Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 consists of ....minor alteration of existing public or private structures, facilities... involving negligible or no expansion of existing or former use..."

The project is a minor alteration in the form of the renovation of the existing skate track at Maidu Park and would not expand use beyond existing levels. Furthermore, no environmentally sensitive resources are located within the project site; therefore, the Class 1 Exemption is applicable to the proposed project.

**Lead Agency Contact Person:** Joel De Jong, Parks, Recreation and Libraries Department, 316 Vernon Street, Roseville, CA 95678. (916) 774-5924.
