Federal

Appropriations process

Congress is scheduled to be in session for the entire month of May before departing for the Memorial Day Recess

Congress has a full slate of agenda items for the month and a few of the must or should-do items Congress must deal with before the summer recess and the

General Election in November include the following:
Reauthorize the Foreign Intelligence Surveillance Act
Passage of the Farm Bill

With the Fiscal Year 2025 Appropriations process fully underway Congress will seek to advance spending bills before recessing for the summer as the September 30 deadline looms larger on the horizon
