10. PUBLIC HEARING

10.1. Roseville Municipal Code - Regional Sewer Connection Fee Adjustments

Memo from Environmental Utilities Business Services Manager Shane Whittington and Environmental Utilities Director Richard Plecker recommending the City Council introduce for first reading an ORDINANCE AMENDING SECTION 14.16.080 OF CHAPTER 14.16 OF TITLE 14 OF THE ROSEVILLE MUNICIPAL CODE REGARDING REGIONAL SEWER CONNECTION FEE. Staff requests Council conduct a public hearing to receive public comment regarding proposed regional sewer connection fee adjustments. The proposed changes are to update the municipal code to reflect the reduced regional sewer connection fee from \$9,852 (after inflation adjustments) per sewer unit to \$9,802 per sewer unit for new connections to the wastewater system. This would make the Municipal Code consistent with the recommendation in the Regional Wastewater Capacity Fee Study conducted by IB Consultants LLC and approved by the South Placer Wastewater Authority (SPWA) Board on June 27, 2024, via Resolution No. 2024-15. While SPWA is responsible to reevaluate and recommend the minimum Regional Connection Fee not less than once every five years, it is the City's responsibility to enact and enforce the minimum Regional Connection Fee.
