Title: Veterans: Resentencing: Mitigating Circumstances
Fiscal Committee: yes
Urgency Clause: no
Disposition: Pending
Committee: Senate Public Safety Committee
Hearing: 05/15/2018 8:30 am, John L. Burton Hearing Room (4203)
Code Section: An act to amend Section 1170.91 of the Penal Code, relating to sentencing.

Summary: Authorizes any person who was sentenced for a felony conviction prior to a specified date, and who is, or was, a member of the US military, and who may be suffering from conditions as a result of his or her military service, to petition for a recall of sentence, under specified conditions. Requires the court to determine, at a public hearing, held a certain number of days after receipt of the petition, notice to all parties involved if there will be a resentencing hearing. Requires credit for time served.

Digest: This bill would authorize any person who was sentenced for a felony conviction prior to January 1, 2015, and who is, or was, a member of the United States military and who may be suffering from any of the above-described conditions as a result of his or her military service to petition for a recall of sentence under specified conditions. The bill would require the court, upon receiving a petition, to determine, at a public hearing held after not less than 15 days' notice to the prosecution, the defense, and any victim of the offense, as specified, whether the person satisfies the specified criteria and, if so, would authorize the court, in its discretion, to resentence the person following a resentencing hearing.

This bill would prohibit resentencing under these provisions from resulting in the imposition of a term longer than the original sentence. The bill would also require a person who is resented pursuant to these provisions to be given credit for time served.

Title: Property Taxation: Base Year Value Transfer

Fiscal Committee: yes

Urgency Clause: no

Disposition: Pending

Committee: Assembly Revenue and Taxation Committee

Hearing: 05/14/2018 2:30 pm, State Capitol, Room 126

Code	An act to amend, repeal, and add Section 69.5 of the Revenue and Taxation
Section:	Code, relating to taxation, to take effect immediately, tax levy.
Summary:	Amends existing law relating to the base year value of property that is eligible for the homeowner's exemption. Deems a replacement dwelling to be of equal or lesser value if the amount of the full cash value of that replacement dwelling does not exceed specified amounts based on the date of the sale of the original property relative to the purchase or new construction of the replacement dwelling.
Digest:	<p>This bill, on and after January 1, 2019, would instead require, subject to specified procedures, the base year value of property that is eligible for the homeowner's exemption of any person, regardless of age or disability, to be transferred to any replacement dwelling, regardless of the value of the replacement property or whether the replacement property is located within the same county. The bill would prescribe the method of calculating the base year value of a replacement dwelling that is of greater value than the original property. The bill would deem a replacement dwelling to be of equal or lesser value if the amount of the full cash value of that replacement dwelling does not exceed specified amounts based on the date of the sale of the original property relative to the purchase or new construction of the replacement dwelling.</p> <p>This bill, on and after January 1, 2019, would instead only require that a person not have been previously granted the property tax relief described above if that person is not a person over the age of 55 years or a severely and permanently disabled person. The bill would specify that a "person over the age of 55 years" includes the spouse of a person who has attained the age of 55 years at the time of the sale of the original property.</p> <p>This bill would, on and after January 1, 2019, provide that full cash value of the replacement dwelling may also mean, in specified circumstances, the replacement dwelling's full cash value, determined in accordance with a specified provision, as of the date on which the original property is sold.</p> <p>This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.</p> <p>This bill would provide that, notwithstanding those provisions, no appropriation is made and the state shall not reimburse local agencies for property tax revenues lost by them pursuant to the bill.</p> <p>This bill would take effect immediately as a tax levy, but would become operative only if Assembly Constitutional Amendment 20 of the 2017-18 Regular Session is approved by the voters.</p>

Title: Planning and Zoning: Regional Housing Needs Assessment

Fiscal Committee: no

Urgency Clause: no

Disposition: Pending

Location: Assembly Appropriations Committee

Code Section: An act to amend Sections 65584, 65584.04, and 65584.05 of the Government Code, relating to housing.

Summary: Revises the objectives required to be addressed in the regional housing needs allocation plan and additionally require the plan to include an objective to increase access to areas of high opportunity for lower-income residents, while avoiding displacement and affirmatively furthering fair housing. Requires public hearings and comment.

Digest: This bill would revise the objectives required to be addressed in the regional housing needs allocation plan and additionally require the plan to include an objective to increase access to areas of high opportunity for lower-income residents, while avoiding displacement and affirmatively furthering fair housing. The bill would also define the term " areas of high opportunity for lower-income residents" for purposes of these provisions.

The bill would instead require various actions by local agencies related to the regional housing needs allocation plan to further the objectives required to be addressed by the plan.

This bill would require the council of governments or delegate subregion as applicable, to hold at least two public hearings. The bill would also require

the council of governments or delegate subregion as applicable, to additionally provide, along with the proposed methodology, an explanation of how the proposed methodology furthers the objectives required to be addressed by the regional housing needs allocation plan. The bill would eliminate the requirement that members of the public make a written request for the proposed methodology and accompanying materials.

This bill would revise these factors, and additionally require the council of governments or delegate subregion, as applicable, to consider the rate of overcrowding, the existing and projected demand for housing at various income levels, and the percentage of existing households at each specified income levels that are paying more than 30% and more than 50% of their income in rent.

This bill would repeal this provision.

This bill would instead require the council of governments, or delegate subregion, as applicable, following the public comment period, to submit the draft allocation methodology to the department. The bill would require the department to determine whether the methodology furthers the objectives described above. The bill would require the council of governments, or delegate subregion, as applicable, following the receipt of the department's determination, to make any necessary changes and adopt the final regional, or subregional, housing need allocation methodology, as specified.

This bill would additionally authorize a housing organization, as defined, to request from the council of governments or the delegate subregion, as applicable, a revision of the share of the regional housing need allocated to one or more local government. This bill would authorize the local government or the housing organization, if the council of governments or delegate subregion, as applicable, does not accept the proposed revised share or modify the revised share to the satisfaction of the requesting party, to appeal the draft allocation to the Department of Housing and Community Development, as specified.

This bill would provide that no reimbursement is required by this act for a specified reason.

Summary: Creates the Traffic Relief and Road Improvement Program to address traffic congestion and deferred maintenance on the state highway system and the local street and road system. Provides for the deposit of various existing sources of revenue in the Traffic Relief and Road Improvement Account as created by this bill in the State Transportation Fund, including specified revenues attributable to sales and use tax on vehicles, from motor vehicle insurance policies, diesel fuel and registration fees.

Digest: This bill would create the Traffic Relief and Road Improvement Program to address traffic congestion and deferred maintenance on the state highway system and the local street and road system. The bill would provide for the

deposit of various existing sources of revenue in the Traffic Relief and Road Improvement Account, which the bill would create in the State Transportation Fund, including revenues attributable to the sales and use tax on motor vehicles, revenues attributable to automobile and motor vehicle insurance policies from the insurer gross premiums tax, revenues from certain diesel fuel sales and use taxes, revenues from certain vehicle registration fees, and certain miscellaneous State Highway Account revenues.

This bill would continuously appropriate the revenues in the account, after deductions for administration, with 40% of the revenues to be allocated to the Department of Transportation for maintenance of the state highway system or for purposes of the State Highway Operation and Protection Program, 40% of the revenues to be apportioned by the Controller to cities and counties for road purposes pursuant to a specified formula, and 20% to fund projects in the State Transportation Improvement Program that create measurable reductions in traffic congestion. The bill would require the California Transportation Commission to adopt performance criteria and metrics for expenditure of certain of these revenues, and would impose various requirements on cities and counties in order to receive apportionments.

The bill would also require the department to implement efficiency measures with the goal of generating \$100,000,000 annually in savings at the department and to propose, from the identified savings, an appropriation to be included in the annual Budget Act of up to \$100,000,000 from the State Highway Account for expenditure on the Active Transportation Program.

This bill would instead require these loans to be repaid by December 31, 2018.

This bill would require the Department of Transportation to increase its annual use of contract staff resources so that 20% of its capital outlay staff consists of contract resources by the 2020-21 fiscal year.

This bill, commencing January 1, 2019, would instead transfer to the Highway Users Tax Account for allocation to state and local transportation purposes under a specified formula most of the gasoline excise tax revenues currently being deposited in the General Fund that are attributable to boats, agricultural vehicles, and off-highway vehicles. Because that account is continuously appropriated, the bill would make an appropriation. The bill would also delete a monthly transfer to the General Fund of \$833,000 in gasoline excise taxes attributable to off-highway vehicles, thereby retaining those revenues for off-highway vehicle programs.

This bill would repeal these provisions, thereby eliminating the use of the weight fee revenues for transportation general obligation bond debt service and retaining those revenues in the State Highway Account. The bill would make other conforming changes in that regard.

This bill would delete the transfer of these miscellaneous revenues to the Transportation Debt Service Fund, and would instead require the miscellaneous revenues to be transferred to the Traffic Relief and Road Improvement Account for expenditure pursuant to (1) above.

This bill would require certain amounts of revenue to be made available for specified purposes from the Greenhouse Gas Reduction Fund to the extent revenues are available after funding existing programs, and would require specified diesel sales and use tax revenues and certain vehicle registration fee revenues to be transferred to the Traffic Relief and Road Improvement Account for expenditure pursuant to (1) above. The bill, beyond the backfill required for the Public Transportation Account, would additionally provide for an additional transfer from the Greenhouse Gas Reduction Fund to the Public Transportation Account, as specified. Because certain revenues in the Public Transportation Account are continuously appropriated, this bill would make an appropriation in that regard. The bill would exempt funds transferred from the Greenhouse Gas Reduction Fund to the Public Transportation Account from statutory restrictions and limitations otherwise applicable to expenditures from the Greenhouse Gas Reduction Fund, as specified. The bill would also require backfill of vehicle registration fee revenues otherwise to be allocated to the Air Quality Improvement Fund, the Alternative and Renewable Fuel and Vehicle Technology Fund, and the Enhanced Fleet Modernization Subaccount, as specified.

This bill would exclude the California Transportation Commission from the Transportation Agency, establish it as an independent entity in state government, and require it to act in an independent oversight role. The bill would also make conforming changes.

This bill would rename that entity the Independent Office of Audits and Investigations for Transportation and would make it an independent office that would not be a subdivision of any other government entity to ensure that state and local agencies expending state transportation funds are operating efficiently, effectively, and in compliance with applicable federal and state laws. The bill would require the Inspector General to annually conduct an audit of all state transportation megaprojects.

This bill would authorize lease agreements under these provisions to be entered into until January 1, 2030. The bill would include the Santa Clara Valley Transportation Authority within the definition of regional transportation agency for these purposes. The bill would make other revisions to these provisions.

This bill would provide that CEQA does not apply to a project, or the issuance of a permit for a project, that consists of the inspection, maintenance, repair, rehabilitation, replacement, or removal of existing transportation infrastructure, as specified, or to the addition of an auxiliary lane or bikeway to existing transportation infrastructure under certain conditions.

This bill would eliminate the authority of the office to adopt guidelines establishing alternative metrics for transportation impacts outside transit priority areas.

Title: Public Employees' Retirement: Joint Powers Agreements

Fiscal Committee: no

Urgency Clause: no

Disposition: Pending

Committee: Assembly Appropriations Committee

Hearing: 05/16/2018 9:00 am, State Capitol, Room 4202

Code Section: An act to amend Section 6508.1 of, to add Sections 6508.2, 20461.1, 20574.1, and 20575.1 to, and to repeal and add Section 20577.5 of, the Government Code, ~~and to amend Section 366.2 of the Public Utilities Code,~~ relating to public agencies, and making an appropriation therefor.

Summary: Specifies that if an agency to a joint powers agreement participates in a public retirement system, all parties are jointly and severally liable for all obligations to the retirement system. Prohibits the PERS Board of Administration from contracting with an agency formed under the Joint Exercise of Powers Act unless all the parties to that agreement are jointly and severally liable for all of the public agency's obligation to the system.

Digest: This bill would eliminate that authorization, and would specify that if an agency established by a joint powers agreement participates in, or contracts with, a public retirement system, member agencies, both current and former to the agreement, would be required to mutually agree as to the apportionment of the agency's retirement obligations among themselves, provided that the agreement equals the total retirement liability of the agency. The bill would require the board, in cases in which the member agencies are unable to mutually agree to apportionment, to apportion the retirement liability of the agency to each member agency, as specified. The bill would also provide that if a judgment is rendered against an agency or a party to the agreement for a breach of its obligations to the retirement system, the time within which a claim for injury may be presented or an action commenced against the other party that is subject to the liability determined by the judgment begins to run when the judgment is rendered. The bill would specify that those provisions apply retroactively to all parties, both current and former, to the joint powers agreement.

This bill would prohibit the board, on and after January 1, 2019, from contracting with any public agency formed under the Joint Exercise of Powers Act unless all the parties to that agreement are jointly and severally liable for all of the public agency's obligation to the system.

This bill would also require the PERS board to enter into the above-described agreement upon request of a member agency of a terminating agency formed under the Joint Exercise of Powers Act, and would require a member agency to notify the PERS board of its intention to enter into this agreement within a specified period of time. The bill would authorize the board, if it determines that it is not in the best interests of the retirement system, to choose not to enter into that agreement. To the extent that the bill would increase any lump-sum payments made by a terminating agency and deposited into a subaccount within the Public Employees' Retirement Fund, the bill would make an appropriation. The bill would also provide that if the

governing body of a terminating agency or the governing bodies of its member agencies do not enter into an agreement, the member agencies would then assume the retirement obligations for their retirement systems.

This bill would extend that liability and lien to all of the parties of a terminating agency that was formed under the Joint Exercise of Powers Act. To the extent that these changes would increase deposits in the Public Employees' Retirement Fund, the bill would make an appropriation.

This bill would eliminate that provision. The bill would require the board, prior to exercising its authority to reduce benefits, to consider and exhaust all options and necessary actions, including evaluating whether to bring a civil action against any member agencies to a terminated agency formed by an agreement under the Joint Exercise of Powers Act to compel payment of the terminated public agency's pension obligations. The bill would also specify that the board is entitled to reasonable attorney's fees in addition to other costs. The bill would also set forth related legislative findings.

Title: CalWORKs: Accommodations

Fiscal Committee: yes

Urgency Clause: no

Disposition: Pending

Location: Assembly Appropriations Committee

Code Section: An act to add Sections 11051 and 11262 to the Welfare and Institutions Code, relating to CalWORKs.

Summary: Requires the Department of Social Services to include questions that enable an applicant for, or recipient of, public social services or public assistance, including CalWORKs, to disclose a disability, the need for accommodations due to disability, or any experience of domestic violence in any amendment or revision to the standard form for initial applications and the CalWORKs semiannual report form adopted on or after a specified date.

Digest: This bill would require the Department of Social Services to include questions that enable an applicant for, or recipient of, public social services or public assistance, including CalWORKS, to disclose a disability, the need for accommodation due to disability, or any experience of domestic violence in any amendment or revision to the standard form for initial applications and the CalWORKS semiannual report form adopted on or after January 1, 2019. The bill would require a county welfare department to include a notice that is immediately visible upon opening the file of an applicant or recipient to inform a caseworker of the need for an accommodation consistent with the Americans with Disabilities Act, if a need for accommodation is indicated by the applicant or recipient on the forms described above. The bill would also require a county welfare department to include a notice that is immediately visible upon opening the file of an applicant or recipient to inform a caseworker of potential eligibility for exemptions from, or exceptions to, CalWORKS program requirements, if a disability or domestic violence experience is disclosed by the applicant or recipient on the forms described above. By imposing new duties on county welfare departments, this bill would create a state-mandated local program.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Title: Foster Youth: Trauma-Informed System of Care

Fiscal Committee: no

Urgency Clause: no

Disposition: Pending

Location: Assembly Appropriations Committee

Code Section: An act [to add Section 16521.6 to the Welfare and Institutions Code](#), relating to foster youth.

Summary: Adopts Continuum of Care Reform to improve California's child welfare system and its outcomes, including an increase in home-based family care. Ensures that a resource family applicant completes training regarding the effects of trauma, child abuse, and neglect, and methods to behaviorally

support impacted children. Establishes a joint interagency resolution team to develop guidance, provide support, and increase the capacity and delivery of trauma-informed care.

Digest: This bill would state the intent of the Legislature in adopting the bill to build upon the current CCR implementation effort by, among other things, developing a coordinated, timely, and trauma-informed system-of-care approach for foster children and youth who have experienced severe trauma. The bill would require each county to develop and implement a memorandum of understanding, as specified, setting forth the roles and responsibilities of agencies and other entities that serve children and youth in foster care who have experienced severe trauma. By creating new duties for county officials relating to foster care services, the bill would impose a state-mandated local program.

This bill would require the Secretary of California Health and Human Services and the Superintendent of Public Instruction, no later than June 1, 2019, to establish a joint interagency resolution team, consisting of representatives from specified state departments, whose primary roles would be to develop guidance and provide support and technical assistance to counties with regard to those children and youth and the memoranda of understanding, as specified. The bill would also require the team, no later than January 1, 2020, in consultation with specified entities and persons, to review the placement and service options available to county child welfare agencies and county probation departments for those children and youth, to develop and submit recommendations to the Legislature, as specified, and, no later than June 1, 2020, to develop a multiyear plan for increasing the capacity and delivery of trauma-informed care to foster children and youth served by short-term residential therapeutic programs and other foster care and behavioral health providers.

This bill would provide that no reimbursement is required by this act for a specified reason.

Summary: Prescribes requirements relating to release time that would apply to all of the public employers and employees subject to specified public employee acts and would generally repeal the provisions relating to release time in those acts. Prohibits the Public Employment Relations Board from enforcing these provisions with regard to public transit workers that are not otherwise subject to the board's jurisdiction.

Digest: This bill would prescribe requirements relating to release time that would apply to all of the public employers and employees subject to the acts described above and would generally repeal the provisions relating to release time in those acts. The bill would require these public employers to grant a reasonable number of employee representatives of the exclusive representative reasonable time off without loss of compensation or other benefits for specified activities. This requirement would apply to activities to investigate and process grievances or otherwise enforce a collective bargaining agreement or memorandum of understanding; to meet and confer with the public employer on matters within the scope of representation, including preparation for the activities specified in these provisions; to testify or appear as the designated representative of the exclusive representative in conferences, hearings, or other proceedings before the Public Employment Relations Board or similar bodies, as specified; to testify or appear as the designated representative of the exclusive representative before the governing body of the public employer, or a personnel, civil service, or merit commission, among others, and to serve as a representative of the exclusive

representative for new employee orientations. The bill would require the exclusive representative to provide reasonable notice requesting an absence in this connection. The bill would specify that its provisions prescribe minimum release time rights and would prescribe requirements regarding the relation of its provisions to other labor agreements that address release time. Location: Assembly Health Committee

Code Section: An act to amend Section 1799.111 of the Health and Safety Code, and to amend Section 5008 of the Welfare and Institutions Code, relating to mental health.

Summary: Changes the definition of gravely disabled for purposes of involuntary commitment and conservatorship to read, in part, a condition in which a person, as a result of a mental health disorder, is incapable of making informed decisions about, or providing for, his or her own basic personal needs or food, clothing, shelter, or medical care without significant supervision and assistance from another person.

Digest: This bill would change the definition of "gravely disabled" for these purposes to read, in part, a condition in which a person, as a result of a mental health disorder, is incapable of making informed decisions about, or providing for, his or her own basic personal needs for food, clothing, shelter, or medical care without significant supervision and assistance from another person and, as a result of being incapable of making these informed decisions, the

person is at risk of substantial bodily harm, dangerous worsening of a concomitant serious physical illness, significant psychiatric deterioration, or mismanagement of his or her essential needs that could result in bodily harm. By increasing the level of service required of county mental health departments, this bill would impose a state-mandated local program.

Summary: Requires that supportive housing be a use by right in zones where multifamily and mixed uses are permitted, including commercial zones permitting multifamily uses, if the proposed housing development meets specified criteria. Requires a local government to approve a supportive housing development that complies with these requirements. Prohibits the local government from imposing any minimum parking requirement for units occupied by supportive housing residents under certain circumstances.
Digest: This bill would make a nonsubstantive change to this requirement.

This bill would require that supportive housing be a use by right in zones where multifamily and mixed uses are permitted, including commercial zones permitting multifamily uses, if the proposed housing development meets specified criteria and would require a local government to approve, within specified periods, a supportive housing development that complies with these requirements. The bill would require that a developer of supportive housing provide the planning agency with a plan for providing supportive services, with documentation demonstrating that supportive services will be provided onsite to residents in the project and describing those services, as provided. The bill would prohibit the local government from imposing any minimum parking requirement for units occupied by supportive housing residents if the development is located within 1/2mile of a public transit stop. The bill would specify that its provisions do not (1) preclude or limit the ability of a developer to seek a density bonus from the local government or (2) expand or contract the authority of a local government to adopt or amend an

ordinance, charter, general plan, specific plan, resolution, or other land use policy or regulation that promotes the development of supportive housing.

The bill would include findings that the changes proposed by this bill address a matter of statewide concern rather than a municipal affair and, therefore, apply to all cities, including charter cities.

Summary: Amends the Cortese Knox Hertzberg Local Government Reorganization Act. Requires a local agency formation commission to consider information contained in a local hazard mitigation plan, a safety element of a general plan, and any maps that identify land as a very high fire hazard zone or that identify land determined to be in a state responsibility area if it is determined that such information is relevant to the area that is the subject of the proposal. Provides for the reporting of loss of units.

Digest: This bill would additionally require the commission to consider information contained in a local hazard mitigation plan, information contained in a safety element of a general plan, and any maps that identify land as a very high fire hazard zone or maps that identify land determined to be in a state responsibility area if it is determined that such information is relevant to the area that is the subject of the proposal. By adding to the duties of local agency formation commissions in reviewing a change of organization or reorganization, this bill would impose a state-mandated local program.

This bill would require that the information provided by the council of governments include the loss of units during a state of emergency, as defined, declared by the Governor pursuant to the California Emergency

Services Act that have not been rebuilt or replaced at the time of the data request.

This bill would require that these factors include the loss of units during a state of emergency, as defined, declared by the Governor pursuant to the California Emergency Services Act that have yet to be rebuilt or replaced at the time of the analysis.

This bill would instead require that this finding be that the subdivision is consistent with the board's regulations, but would delete the requirement that the subdivision be consistent with the above-described regulations relating to fire safety standards applicable to state responsibility area lands. The bill, upon approving a tentative map, or a parcel map for which a tentative map was not required, for an area located in a state responsibility area or a very high fire hazard severity zone would require a legislative body of a county to transmit a copy of these findings and accompanying maps to the State Board of Forestry and Fire Protection. By adding to the duties of counties in approving tentative maps and parcel maps, this bill would impose a state-mandated local program.

This bill would extend the periodic review of a local health emergency by a board of supervisors or city council from every 14 days to every 30 days.

This bill would provide that no reimbursement is required by this act for a specified reason.

File: 80

Location: Assembly Third Reading File

**Code
Section:** An act to amend Sections 7060.2, 7060.4, and 7060.7 of the Government Code, relating to housing.

Summary: Revises the circumstances under which an owner may be required to offer accommodations to displaced tenants and lessees to eliminate the requirement that the request be made in writing within a certain number of days of notification. Permits an owner to return less than all of the accommodations to the rental market within the items these provisions are not intended to allow.

Digest: This bill would revise the circumstances under which an owner may be required to offer accommodations to displaced tenants and lessees to eliminate the requirement that the request be made in writing within 30 days of notification, as described above, and would instead make the offer

contingent on the tenant or lessee advising the owner of a desire to consider an offer. The bill also would require that the rental agreement or lease to be offered be the same as that in effect at the time of the displacement. The bill would extend the time period during which the various provisions govern an owner who offers an accommodation for rent or lease again after the accommodations were withdrawn from rent or lease from 2 years to 5 years, and would reduce the time that an action may be brought under these provisions to one year from 3 years of the date when the withdrawn accommodations are offered again for rent or lease. The bill would eliminate the limit on punitive damages.

Summary: Authorizes a City Council or county Board of Supervisors to establish a procedure by ordinance to grant a developer of an eligible housing development, upon request by the developer, a floor area ratio bonus in lieu of a density bonus awarded on the basis of dwelling units per acre. Defines eligible housing development as a development that meets specified criteria relating to residential use, location, zoning, replacement of units, and affordability.
Digest: This bill would authorize a city council or county board of supervisors to establish a procedure by ordinance to grant a developer of an eligible housing development, upon the request of the developer, a floor area ratio bonus, calculated as provided, in lieu of a density bonus awarded on the

basis of dwelling units per acre. The bill would define "eligible housing development" as a development that meets specified criteria related to residential use, location, zoning, replacement of units, and affordability. The bill would prohibit the city council or county board of supervisors from imposing any parking requirement on an eligible housing development in excess of specified ratios. The bill would require a city or county that adopts a floor area ratio bonus ordinance to allow an applicant seeking to develop an eligible residential development to calculate impact fees based on square feet, instead of on a per unit basis. Title: Employment Benefits: Digital Marketplace: Contractors

Fiscal Committee: no

Urgency Clause: no

Disposition: Pending

Location: Assembly Labor and Employment Committee

Code Section: ~~An act relating to employee benefits.~~ [An act to amend Sections 12926 and 12940 of the Government Code, and to add Chapter 4.8 \(commencing with Section 1080\) to Part 3 of Division 2 of the Labor Code, relating to employment.](#)

Summary: Amends existing law making it unlawful for any employer to willfully misclassify an individual as an independent contractor. Authorizes an organization that is a digital marketplace to contribute to a marketplace contractor benefit plan established to provide certain employment benefits to marketplace contractors who use the marketplace. Requires a participant to enter into a written plan agreement with a plan administrator and maintain and contribute to a benefit plan for contractors.

Digest: This bill would authorize an organization that is a digital marketplace, as defined, to contribute to a marketplace contractor benefit plan established to provide certain employment benefits to marketplace contractors, as defined, who use the digital marketplace. Under the bill, the digital marketplace would make the election by providing written notice of the election and paying no more than a \$500 administrative fee to the Employment Development Department. The bill would require the department to use the revenues, upon appropriation by the Legislature, for the administration of marketplace contractor benefit plans.

The bill would require a participating digital marketplace, as defined, to enter into a written plan agreement with a plan administrator to establish and maintain a benefit plan to provide benefits to the contractors who use the digital marketplace, as prescribed. The bill would require a digital marketplace that elects to contribute to a benefit plan to contribute an unspecified minimum percentage of the contractor fee for each transaction and would authorize a benefit plan to require a contractor to earn a minimum amount of contractor fees. The bill would provide for plan withdrawal penalties, which would be required to be remitted to the department and used by the department, upon appropriation by the Legislature, to administer the bill or for any other purpose authorized by existing law governing employment.

The bill would require, for purposes of all provisions of state and local laws that govern employment, that a marketplace contractor that offers services

through a digital marketplace be treated as an independent contractor of the digital marketplace.

The bill would require participating digital marketplaces to establish a procedure for representatives of the marketplace contractors to meet at least 4 times per year with representatives of the participating digital marketplaces to discuss issues relating to the operation of the participating marketplace. The bill would authorize a participating digital marketplace to provide education and training to marketplace contractors that use the digital marketplace on specific subject matters.

The bill would declare that its provisions address a matter of statewide concern and would prohibit a county, municipality, or other political subdivision from enacting or enforcing any law, ordinance, or rule inconsistent with the bill's provisions.

This bill would make it an unlawful employment practice subject to FEHA for a digital marketplace to discriminate against any individual because of age, race, creed, color, national origin, sexual orientation, military status, sex, disability, predisposing genetic characteristics, familial status, or marital status, in receiving, classifying, disposing, or otherwise acting upon applications to participate with the digital marketplace as a marketplace contractor. The bill would define "digital marketplace" and "marketplace contractor" for purposes of FEHA.

Location: Assembly Appropriations Committee

Code Section: An act to add and repeal Article 4 (commencing with Section 14100) of Chapter 3 of Division 7 of the Unemployment Insurance Code, relating to employment.

Summary: Creates a pilot program in the counties of Sacramento and Los Angeles for the purposes of increasing long term employment opportunities for young

adults with autism and other intellectual and developmental disabilities. Provides that the pilot program shall be administered by the Workforce Development Board and shall accomplish specified goals.

Digest: This bill would create a 3-year pilot program in the counties of Sacramento and Los Angeles for the purposes of increasing long-term employment opportunities for young adults with autism and other intellectual and developmental disabilities. The bill would provide that the pilot program be administered by the California Workforce Development Board and accomplish specified goals. The bill would require the board to submit a report to the Legislature on or before December 31, 2021, regarding information on the success of the program in accomplishing specified goals.

This bill would make legislative findings and declarations as to the necessity of a special statute for the counties of Los Angeles and Sacramento.

Title: Community Redevelopment Law
Fiscal Committee: no

Urgency Clause:	no
Disposition:	Pending
Location:	Assembly Second Reading File
Code Section:	An act to amend Section 53993 of, and to add Title 23 (commencing with Section 100600) to, the Government Code, and to add Section 97.82 to the Revenue and Taxation Code , relating to redevelopment.
Summary:	Amends the Community Redevelopment Law. Authorizes a city or county to propose the formation of a redevelopment housing and infrastructure agency by adoption of a resolution of intention that meets specified requirements, including a passthrough provision and an override passthrough provision. Requires the city or county to submit that resolution to each affected taxing entity. Requires the Strategic Growth Council to provide technical assistance to a city or county desiring to form an agency.
Digest:	<p>This bill, the Community Redevelopment Law of 2018, would authorize a city or county to propose the formation of a redevelopment housing and infrastructure agency by adoption of a resolution of intention that meets specified requirements, including that the resolution of intention include a passthrough provision and an override passthrough provision, as defined. The bill would require the city or county to submit that resolution to each affected taxing entity, and would authorize an entity that receives that resolution to elect to not receive a passthrough payment, as provided. The bill would require the city or county that adopted that resolution to hold a public hearing on the proposal to consider all written and oral objections to the formation, as well as any recommendations of the affected taxing entities, and would authorize that city or county to adopt a resolution of formation at the conclusion of that hearing. The bill would then require that city or county to submit the resolution of formation to the Strategic Growth Council for a determination as to whether the agency would promote statewide greenhouse gas reduction goals and would require that the council recommend to the Department of Finance whether to approve the resolution. The bill would require the council to establish a program to provide technical assistance to a city or county desiring to form an agency pursuant to these provisions. The bill would then require that city or county to submit the resolution of formation to the Department of Finance for approval, subject to certain standards, including that the department determine that any passthrough provision included is consistent with certain requirements and a statewide cap on the amount of equity, as defined, received by all local agencies within the state in any fiscal year, and to consider any recommendations of the Strategic Growth Council. The bill would require the department to disapprove the resolution if the department determines that the creation of the agency will result in a state fiscal impact that exceeds a specified amount in any fiscal year. The bill would deem the agency to be in existence as of the date of the department's approval.</p> <p>The bill would provide for a governing board of the agency consisting of one member appointed by the legislative body that adopted the resolution of intention, one member appointed by each affected taxing entity, and 2 public members. The bill would authorize an agency formed pursuant to these</p>

provisions to finance specified infrastructure and housing projects, and to carry out related powers, such as the power to purchase and lease property within the redevelopment project area, that are similar to the powers previously granted to redevelopment agencies. The bill would require an agency to adopt an annual budget and to maintain detailed records of every action taken by that agency for a specified period of time, and would provide that any person who violates this requirement be subject to a fine of \$10,000 per violation.

The bill would require the agency to submit an annual report containing specified information, and a final report of any audit undertaken by any other local, state, or federal government entity, to its governing body within specified time periods. The bill would also require the agency to submit a copy of the annual report with the Controller and a copy of any audit report with the Department of Housing and Community Development. The bill would establish procedures under which the Controller would identify major audit violations and the Attorney General would bring an action to compel compliance.

The bill would require the governing board of an agency to designate an appropriate official to prepare a proposed redevelopment project plan, in accordance with specified procedures. The bill would require the agency to hold a public hearing on the proposed redevelopment project plan, and would authorize the governing board to either adopt the redevelopment project plan or abandon proceedings, in which case the agency would cease to exist. The bill would authorize the redevelopment project plan to provide for the division of taxes levied upon taxable property, if any, between an affected taxing entity and the agency, as provided. The bill would declare that this authorization fulfills the intent of constitutional redevelopment provisions. The bill would also require that not less than 30% of all taxes allocated to the agency from an affected taxing entity be deposited into a separate fund, established by the agency, and used for the purposes of increasing, improving, and preserving the community's supply of low- and moderate-income housing available at an affordable housing cost, as provided.

The bill would authorize the agency to issue bonds to finance redevelopment housing or infrastructure projects, in accordance with specified requirements and procedures, including that the resolution proposing the bonds include a description of the facilities or developments to be financed and the estimated cost of those facilities or developments, and that the resolution adopting the bonds provide for specified matters such as the principal amount of bonds. The bill would also authorize a city, county, or special district that contains territory within the boundaries of an agency to loan moneys to the agency to fund activities described in the redevelopment project plan. The bill would require the agency to contract for an independent financial and performance audit every 2 years after the issuance of debt.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state,

reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Code Section: An act to ~~add Section 41.5 to the Revenue and Taxation Code, relating to taxation.~~ amend Section 11004 of the Welfare and Institutions Code, relating to CalWORKs.
Summary: Relates to existing law authorizing current and future grants payable to an assistance unit to be reduced due to prior overpayments. Sets the limit of the outstanding overpayments at \$125, or the threshold established by a county if it is higher. Authorizes a county to establish a threshold higher than \$125 if a higher threshold is more cost effective, but would prohibit it from establishing a lower threshold.
Digest: This bill would instead set the limit of the outstanding overpayments at \$125, or the threshold established by a county if it is higher. The bill would authorize a county to establish a threshold higher than \$125 if a higher threshold is more cost effective, but would prohibit it from establishing a

lower threshold. The bill would authorize a county to expunge an overpayment if the county determines that the overpayment has been caused by a major systemic error, negligence, or a county error. The bill would make conforming changes to related provisions.

This bill would repeal that provision.

This bill would prohibit overpayment recovery from being sought or obtained for amounts that have been reimbursed through child support collection for the CalWORKs program.

This bill would also prohibit the commencement of the action if the case record has not been made available to that person, or if any consumer credit report used in the case has not been made available or has been destroyed, as specified.

This bill would also provide that an individual who is, or was, a child in an assistance unit is not responsible for an overpayment pursuant to the above-described provisions.

This bill would authorize the State Department of Social Services to implement these provisions through an all-county letter or similar instruction from the Director of Social Services, until final regulations are adopted, and would require the department to adopt final regulations on or before October 1, 2020.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

This bill would instead provide that the continuous appropriation would not be made for purposes of implementing the bill.

Title:	Planning and Zoning: Transit Rich Housing Bonus
Fiscal Committee:	yes
Urgency Clause:	no
Disposition:	Pending
Location:	Senate Transportation and Housing Committee
Code Section:	An act to add Chapter 4.35 (commencing with Section 65918.5) to Division 1 of Title 7 of the Government Code, relating to land use.
Summary:	Requires a local government to grant a development proponent of a transit rich housing project a transit rich housing bonus, if that development, at the time of submittal, meets specified planning standards complying with any local ordinance or agreeing to provide a specified percentage of onsite affordable housing units. Requires an eligible applicant to provide each resident of the development with an applicable recurring monthly transit pass at no cost.
Digest:	<p>This bill would require a local government to, if requested, grant a development proponent of a transit-rich housing project a transit-rich housing bonus if that development at the time of submittal meets specified planning standards, including complying with demolition permit requirements, complying with any local inclusionary housing ordinance or, if the local government has not adopted an inclusionary housing ordinance, agreeing to provide a specified percentage of awarded units as onsite affordable housing, preparing a relocation benefits and assistance plan, complying with any locally adopted objective zoning standards, complying with any locally adopted minimum unit mix requirements, and if the development includes specified types of parcels, agreeing to replace those units and to offer units at one of 2 specified affordable rates. The bill would define a transit-rich housing project as a residential development project the parcels of which are all within a 1/2 mile radius of a major transit stop or a 1/4 mile radius of a stop on a high-quality bus corridor. The bill would exempt an eligible applicant who receives a transit-rich housing bonus from various requirements, including maximum controls on residential density, maximum controls on floor area ratio that are lower than a specified amount, minimum automobile parking requirements except as provided, maximum height limitations that are less than a specified amount unless those increases would have a specific, adverse impact upon public health and safety, and zoning or design controls that have the effect of limiting additions onto existing structures or lots that comply with those maximum floor area ratios and height limitations. The bill would require an eligible applicant, which this bill would define to mean a development proponent who receives a transit-rich housing bonus, to provide each resident of the development with a recurring monthly transit pass with the applicable transit agency that provides service to the major transit stop or high quality transit corridor that qualified the applicant for the bonus at no cost to the residents. The bill would require an eligible applicant to provide benefits to eligible displaced persons who are displaced by the development, including</p>

requiring the applicant to offer a right to remain guarantee to those tenants, and to make payments to eligible displaced persons for moving and related expenses as well as for relocation benefits. The bill would also require an eligible applicant to submit a relocation benefit and assistance plan for approval to the applicable local government to that effect, and to provide specified information and assistance to eligible displaced persons.

This bill would provide that the provisions described above become operative on January 1, 2021, in order to provide an opportunity for local governments to conduct studies and to adopt or update any ordinances as necessary. The bill would authorize a local government, no later than July 1, 2020, to apply to the Department of Housing and Community Development for a one-time one-year extension in order to delay the operation of those provisions with respect to parcels located within the jurisdictional boundaries of that local government until January 1, 2022. The bill would require the department to review any application submitted, and to grant it if the department makes specified findings. The bill would require the department to post on its Internet Web site the final decision of any application that the department granted to delay the operation of these provisions.

This bill, commencing January 1, 2019, would provide that if a local government adopts any ordinance on or after January 1, 2018, that eliminates zoning designations or decreases residential zoning capacity within an existing zoning district, then any development proponent who submits an application for a transit-rich housing bonus on or after the operative date of these provisions as described above, will be deemed to be consistent with the requirements of these provisions if that development complies with zoning designations that were authorized on January 1, 2018.

The bill would declare that its provisions address a matter of statewide concern and apply equally to all cities and counties in this state, including a charter city.

This bill would provide that no reimbursement is required by this act for a specified reason.

Title: Land Use: Housing Element

Fiscal Committee: no

Urgency Clause: no

Disposition: Pending

Committee: Senate Appropriations Committee

Hearing: 05/14/2018 10:00 am, John L. Burton Hearing Room (4203)

Code Section: An act to amend Sections 65583, 65584, 65584.01, and 65584.04 of, and to add Section 65584.01.1 to, the Government Code, relating to land use.

Summary: Amends the Planning and Zoning Law which requires a city or county to adopt a general plan for its jurisdiction that contains a housing element and contains an inventory of land suitable and available for residential development. Requires the housing element program to identify actions that will be taken to accommodate a specified percentage of the city's or county's share of the regional housing need under certain conditions. Requires the actions to make portions available for multifamily housing.

Digest: This bill would, instead, require the program to identify actions that will be taken to accommodate 125% of the city's or county's share of the regional housing need that could not be accommodated on the sites identified in the inventory of land without rezoning of those sites. The bill would also require those actions be taken to make at least 100% of the city's or county's share so identified be available for multifamily housing located within developed areas.

This bill would prohibit the final allocation plan from considering the prior underproduction of housing from the previous cycle, as calculated, to justify a lower allocation for a particular local government. The bill would also require the final regional housing need plan to demonstrate efforts to reverse racial and wealth disparities throughout a region, including by demonstrating a high housing allocation for households located within particular communities, and a high housing allocation for all income categories.

This bill would define the vacancy rate for a healthy housing market for those purposes to be considered no less than 6% of both rental and ownership housing, as provided. The bill would also require the council of governments to include data on the percentage of households paying more than 30% of their income on housing.

The bill would require the department, after making the final written determination described above, to add the difference between the previous cycle's housing allocation and the reported housing production based on an annual production report submitted by the local government. The bill would provide any determination of that nature is unappealable.

This bill would also require the department, before the next regional housing needs assessment for each region, to address the historic underproduction of housing in California, particularly in coastal and metropolitan communities,

by completing a comprehensive audit of unmet housing needs for each region by January 1, 2020, and to add the results of this audit to each region's next regional housing assessment following January 1, 2020.

This bill would provide that no reimbursement is required by this act for a specified reason.

Title: Land Use: Accessory Dwelling Units

Fiscal Committee: yes

Urgency Clause: no

Disposition: Pending

Committee: Senate Appropriations Committee

Hearing: 05/22/2018 10:00 am, John L. Burton Hearing Room (4203)

Code Section: An act to amend Sections 65585 and 65852.2 of, ~~to add Section 65852.21 to,~~ and to add and repeal Section 65852.23 of, the Government Code, relating to land use.

Summary: Amends existing law requiring an application for an accessory building unit permit to be considered within a specified number of days of receiving it. Requires the ordinance for the creation of accessory dwelling units to designate areas where accessory dwelling units may be excluded for health and safety purposes.

Digest: This bill would require the ordinance for the creation of accessory dwelling units to designate areas where accessory dwelling units may be excluded for health and safety purposes, as specified. The bill would revise the standards for the local ordinance to, among other things, include a prohibition on considering the square footage of a proposed accessory dwelling unit when calculating an allowable floor-to-area ratio for the lot. The bill would require that a permit application for an accessory dwelling unit be approved or disapproved within 60 days and would specify that if a local agency does not act on an application for a accessory dwelling unit within 60 days, then the application shall be deemed approved. The bill would prohibit a local agency from requiring that offstreet parking spaces be replaced when a garage, carport, or covered parking structure is demolished or converted in

conjunction with the construction of an accessory dwelling unit. The bill would prohibit another local ordinance, policy, or regulation from being the basis for the delay of the issuance of a building permit or use permit for an accessory dwelling unit. The bill would delete provisions authorizing a local agency to require owner occupancy by the permit applicant.

This bill would prohibit an accessory dwelling unit from being considered by a local agency, special district, or water corporation to be a new residential use for purposes of calculating fees charged for new development, except in certain circumstances when a new or separate utility connection between the accessory dwelling unit and the utility may be required and except for certain fees charged by a school district that the bill would limit to \$3,000 per accessory dwelling unit.

The bill would authorize the department, upon submission of an adopted ordinance for the creation of accessory dwelling units, to submit written findings to the local agency regarding whether the ordinance complies with statutory provisions. The bill would authorize the department to adopt guidelines to implement uniform standards or criteria to supplement or clarify the terms, references, or standards set forth in statute and would exempt the adoption of those guidelines from the Administrative Procedure Act. The bill would, until January 1, 2029, also require a local building official, upon request of the owner of the accessory dwelling unit, to approve a delay of not less than 10 years of the enforcement of any building code requirement that, in the judgment of the building official, is not necessary to protect public health and safety. By increasing the duties of local agencies with respect to land use regulations, the bill would impose a state-mandated local program.

This bill would also require the department to notify the city, county, or city and county and authorize notice to the Attorney General when the city, county, or city and county is not substantially complying with the above-described provisions regarding accessory dwelling units.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Location: Senate Appropriations Committee

Code Section: An act to add Sections 8588.4 and 8594.6 to the Government Code, relating to emergency services.

Summary: Provides for a red alert system designed to issue and coordinate alerts following an evacuation order. Requires the red alert system to incorporate a variety of notification resources and developing technologies that may be tailored to the circumstances and geography of the underlying evacuation, as appropriate.

Digest: This bill would provide for a red alert system designed to issue and coordinate alerts following an evacuation order, as specified. The bill would require the red alert system to incorporate a variety of notification resources and developing technologies that may be tailored to the circumstances and geography of the underlying evacuation, as appropriate. The bill would require a local government agency or state agency that uses the federal Wireless Emergency Alert (WEA) system to alert a specified area of an evacuation order to use the term "red alert" in the alert and notify OES of the alert.

The bill would further require, on or before January 1, 2019, OES to both include a red alert link on its Internet Web site and establish standards, guidelines, and procedures for the red alert system. On or before July 1, 2019, the bill would require OES to both ensure that each emergency management office within a county or city is a registered WEA operator and has up-to-date WEA software and equipment. The bill also would require OES to ensure that emergency management personnel trained on the WEA system receive yearly training in WEA software and equipment operation.

The bill, upon appropriation by the Legislature, would require an emergency management office within a county or city and county to be provided moneys for the purposes of implementing this provision. The bill also would authorize the state and local government agencies to receive in-kind contributions or donations from the private sector, or grant funds from the federal government for this provision. By increasing the duties of local governments, this bill would impose a state-mandated local program.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Code Section: An act to amend Section 8257 of, and to add Chapter 6.1 (commencing with Section 13725) to Part 3 of Division 9 of, the Welfare and Institutions Code, relating to homeless youth, and making an appropriation therefor.
Summary: Establishes the Office of Homeless Youth in the Department of Housing and Community Development. Prioritizes the various funding sources for grant programs established by the Office to support young people experiencing homelessness, as specified. Makes an appropriation to the program. Requires preference for funding to be given to agencies with certain

characteristics. Requires a grant proposal to identify a continuum of services relating to drug abuse and mental health services.

Digest:

This bill would establish the Office of Homeless Youth in the Department of Housing and Community Development. The bill would set forth the duties of the office, including, but not limited to, setting specific, measurable goals aimed at preventing and ending homelessness among youth in the state. The bill would require the office to identify funding, policy, and practice gaps across state systems that serve, or hold the potential to serve, young people experiencing homelessness in California, develop specific recommendations and timelines for addressing these gaps, and report to the Legislature, as specified. The bill would require the office to oversee and administer specified grant programs for young people experiencing homelessness and their families, which would be primarily funded by funds provided to the State Department of Health Care Services from the Youth Education, Prevention, Early Intervention, and Treatment Account. The bill would prioritize the various funding sources for grant programs established by the office to support young people experiencing homelessness, as specified. The bill would make an appropriation to the office from the General Fund in the amount of the difference between other specified funding received from the State Department of Social Services for purposes of the grant program and \$60,000,000. The bill would specify that the grant funds would be used to supplement existing levels of service and not to supplant any existing funding. The bill would allow no more than 40% of the total funds granted in a given year to be used to establish, expand, or operate shelter programs.

This bill would impose criteria and requirements for agencies eligible for grant funding to operate a homeless youth program or shelter program, and would require preference for funding to be given to agencies with certain characteristics, including those that propose to provide services in geographic areas where no similar services are provided and there is a demonstrated need for those services. The bill would require a grant proposal to identify how it intends to ensure that participating youth receive a continuum of services, including, but not limited to, drug abuse education, treatment, and prevention services, screening, assessment, and treatment or referral for behavioral and physical health care services, and aftercare and followup services. The bill would require a grantee to submit data and annual progress reports to the office and agree to meet quality improvement goals, accept technical assistance, and submit to annual site monitoring visits by the office, as specified.

This bill would require the council membership to also include a representative of the Office of Homeless Youth.

Summary: Reduces the rate of tax imposed by the Sales and Use Tax Law incrementally every calendar year beginning on January 1, 2020, until January 1, 2022, at which time the rate would be reduced by a total of 2%. Imposes a tax on the receipt of a benefit in this state of a service that is purchased by a qualified business from any retailer, as measured by a percentage of the sales price for the service.

Digest: This bill would reduce the rate of tax imposed by the Sales and Use Tax Law incrementally every calendar year beginning on January 1, 2020, until January 1, 2022, at which time the rate would be reduced by a total of 2%. This bill would require the Director of Finance to estimate the amount of net revenue that will be derived for specified calendar years as a result of the changes made by this bill and would require the rate of tax imposed by the Sales and Use Tax Law to be reduced or increased by a specified percentage amount for specified calendar years depending on the amount of the estimated revenue gains or losses.

This bill, beginning on and after January 1, 2020, would impose a tax on the receipt of a benefit in this state of a service that is purchased by a qualified business from any retailer, as measured by a percentage of the sales price for the service. This bill would incrementally increase the rate of the tax every calendar year until January 1, 2022, at which time the rate would be 3%.

This bill would require every seller and retailer engaged in business in this state, as specified, and making sales of services whose benefit is received in this state, to, at the time of making the sales or if the receipt of the benefit is not then taxable hereunder at the time the receipt of the services becomes taxable, determine whether the purchaser is a qualified business, collect the tax from the qualified business purchasing the service, and give the qualified

business a receipt, as specified. This bill would require those sellers and retailers to register with the California Department of Tax and Fee Administration. This bill would make any person that violates specified provisions relating to the collection of the tax, the advertisement of the tax, and the separate statement of price and tax guilty of a misdemeanor. By creating a new crime, this bill would impose a state-mandated local program.

This bill would require all amounts to be paid to the California Department of Tax and Fee Administration, and would require the department to transmit those amounts, less refunds, to the Treasurer to be deposited into the General Fund.

This bill would provide for the administration and collection of this tax pursuant to procedures set forth in the Fee Collection Procedures Law. By expanding the application of the Fee Collection Procedures Law, the violation of which is a crime, this bill imposes a state-mandated local program.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would include a change in state statute that would result in a taxpayer paying a higher tax within the meaning of Section 3 of Article XIII A of the California Constitution, and thus would require for passage the approval of 2/3 of the membership of each house of the Legislature.

This bill would take effect immediately as a tax levy.

Summary: Requires the Board to provide contact information in a specified format to contracting agencies for the purpose of providing notice to past employee members, former members, and retired members and would prescribe a process in this regard. Provides immunity to contracting agencies for failure to provide notice if the contact information is incomplete or incorrect.

Digest: This bill would specify that the confidentiality provisions, described above, apply to the Public Employees Medical and Hospital Care Act, which the board also administers, and would make conforming changes to account for this and to account for school district and university employer categories currently in effect. The bill would authorize the confidentiality of provisions of records connected to the beneficiary of a member or retired member who is or was employed by the entity. The bill also would authorize data to be used in connection with related reporting and notice obligations.

This bill would require terminating entities, as described above, to notify past and present employees who are members, former members, or retired members of the system, within 30 days of the adoption of the resolution giving notice of intention to terminate and, with regard to contracts that were approved by the electorate, to make notification of a pending vote to terminate at least 90 days before the date of vote. The bill would require that the ordinance or resolution terminating the contract be adopted not less than 90 days and not more than one year after the system's receipt of the resolution giving notice of intention to terminate. The bill would prohibit the termination effective date from being earlier than the date of adoption of the ordinance or resolution terminating the contract. The bill would require the board to provide contact information in a specified format to contracting agencies for the purpose of providing notice to past employee members, former members, and retired members and would prescribe a process in this regard. Title: Conservatorship: Chronic Homelessness: Mental Illness

Fiscal Committee: no

Urgency Clause: no

Disposition: Pending

Committee: Senate Appropriations Committee

Hearing: 05/14/2018 10:00 am, John L. Burton Hearing Room (4203)

Code Section: An act to add [and repeal](#) Chapter 5 (commencing with Section 5450) ~~to, of,~~ and to add [and repeal](#) Article 7 (commencing with Section 5555) ~~to of~~ Chapter 6.2 of, Part 1 of Division 5 of the Welfare and Institutions Code, relating to conservatorship.

Summary: Establishes a procedure, for the County of Los Angeles and the City and County of San Francisco, if the board of supervisors of the respective county or city and county authorizes the application of these provisions subject to specified requirements, for the appointment of a conservator for a person who is chronically homeless and incapable of caring for the person's own health and well-being due to a serious mental illness and substance use disorder.

Digest: This bill would establish a procedure, for the County of Los Angeles and the City and County of San Francisco, if the board of supervisors of the

respective county or city and county authorizes the application of these provisions subject to specified requirements, for the appointment of a conservator for a person who is chronically homeless and incapable of caring for the person's own health and well-being due to a serious mental illness and substance use disorder, as evidenced by high-frequency emergency department use, high-frequency jail detention due to behavior resulting from the person's serious mental illness and substance use disorder, or frequent placement under a 72-hour involuntary hold because, based on probable cause, the person, as a result of a mental health disorder, is a danger to others, or to himself or herself, or is gravely disabled, for the purpose of providing appropriate placement, including a licensed health care or psychiatric facility or community-based residential care setting, in supportivecommunity housing that provides wraparound services, as specified.

This bill would require an officer providing conservatorship investigation in the County of Los Angeles or the City and County of San Francisco, subject to the county's or city and county's election to apply these provisions, to conduct a conservatorship investigation upon recommendation of conservatorship by specified individuals and would require the officer, if he or she concurs in the recommendation of conservatorship, to petition the superior court in the person's county of residence for a conservatorship and to provide a written report to the court of his or her investigation prior to the hearing. The bill would authorize the court to appoint the public conservator or the director of a local agency who is tasked with addressing the homeless population in the county of residence of the person to serve as conservator if it is in the best interests of the proposed conservatee. The bill would require the conservator to provide appropriate placement for the conservatee, including a licensed health care or psychiatric facility or community-based residential care setting, in supportivecommunity housing that provides wraparound services, as specified.

This bill would require a conservatorship initiated under these provisions to automatically terminate one year after the appointment of the conservator by the superior court, but would authorize the conservator, if upon the termination of an initial or a succeeding period of conservatorship the conservator determines that conservatorship is still required, to petition the superior court for his or her reappointment as conservator for a succeeding one-year period.

This bill would authorize the Judicial Council to adopt rules, forms, and standards necessary to implement these provisions.

This bill would require the County of Los Angeles and the City and County of San Francisco, subject to the county's or city and county's election to apply these provisions, to establish a working group, comprised of representatives of local agencies and disability rights groups, to conduct an evaluation of the effectiveness of the implementation of the conservatorship provisions described above in addressing the needs of chronically homeless persons with serious mental illness and substance use disorders. The bill would

require each working group to prepare and submit a report to the Legislature on its findings and recommendations no later than January 1, 2023.

This bill would repeal all of the above-described provisions on January 1, 2024.

This bill would make legislative findings and declarations as to the necessity of a special statute for the County of Los Angeles and the City and County of San Francisco.

Title: PACE Program: Program Administrators

Fiscal Committee: yes

Urgency Clause: no

Disposition: Pending

Location: Senate Appropriations Committee

Code Section: An act to amend Sections 22105, 22680, 22681, 22682, 22684, 22685, 22686, 22687, 22688. 22689, 22690, 22693, 22694, 22716 of, and to add Section 22690.5 to, the Financial Code, relating to the Property Assessed Clean Energy program.

Summary: Requires the program administrator of the Property Assessed Clean Energy Program to maintain specified processes in writing and in a manner that is acceptable to the Commissioner of Business Oversight, agreements made by public agency officials and property owners to enter into voluntary contractual assessments to finance the installation of distributed generation renewable energy sources or energy or water efficiency improvements that are permanently fixed to real property.

Digest: This bill would require the program administrator to maintain the processes described above in writing, and in a manner that is acceptable to the commissioner.

This bill would, instead, prohibit a program administrator from executing an assessment contract unless the program administrator ensures that certain criteria are met that are similar to the criteria described above, including underwriting requirements that currently apply to persons who participate in

a PACE Reserve program established by the California Alternative Energy and Advanced Transportation Financing Authority. The bill would require a program administrator that is seeking to use an appraisal to determine market value to comply with independence appraisal requirements set out in federal law.

This bill would, instead, prohibit a program administrator from executing an assessment contract unless the program administrator makes a reasonable good faith determination that the property owner has a reasonable ability to pay the PACE assessments. The bill would also require a program administrator that is unable to verify the property owner's income before the assessment contract is executed, to verify that information in a timely manner following the execution of the contract.

This bill would require a program administrator to include information on all PACE assessments that were funded and recorded into the annual composite report described above.

This bill would require a program administrator to comply with all laws regarding the duty to safeguard nonpublic personal information or personal information, including the California Financial Information Privacy Act, and would deem a program administrator a financial institution for these purposes.

This bill would provide that if, after investigation, the commissioner has reasonable grounds to believe that a person is conducting business as a PACE solicitor or PACE solicitor agent, or both, in an unsafe manner, the commissioner bring an order against that person, without having to first exhaust the procedure described above that requires the commissioner to issue a report identifying each violation to a person and to cease the investigation in certain circumstances.

This bill would require the commissioner, upon request, to disclose, pursuant to the California Public Records Act, any documents related to an investigation described above. The bill would require the commissioner to make publicly available the identity of any PACE solicitor or PACE solicitor agent who has agreed to, or been required to, discontinue engaging in business as a consequence of an investigation. The bill would require the commissioner to maintain on its Internet Web site a searchable list of PACE solicitors and PACE solicitor agents who have agreed to, or been required to, cease soliciting property owners in connection with PACE assessments.

Title: Local Initiatives: Review
Fiscal Committee: yes
Urgency Clause: no
Disposition: Pending
Location: Assembly Elections and Redistricting Committee
Code Section: An act to add Sections ~~9108.5 and 9201.5~~ [9118.5, 9215.5, and 9311](#) to the Elections Code, relating to initiatives.
Summary: Authorizes the proponent of a county, municipal, or district initiative to withdraw the initiative at any time before a certain day before the election, whether or not the petition has already been found sufficient by the elections official.
Digest: This bill would authorize the proponent of a county, municipal, or district initiative to withdraw the initiative at any time before the 88th day before the election, whether or not the petition has already been found sufficient by the elections official. Because the exercise of this authority would impose associated duties on local elections officials, this bill would impose a state-mandated local program.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Title: State Pathways in Technology Program
Fiscal Committee: yes
Urgency Clause: no
Disposition: Pending
Location: Senate Appropriations Committee

Code Section: An act to add Part 52.7 (commencing with Section 88670) to Division 7 of Title 3 of the Education Code, relating to public postsecondary education.

Summary: Establishes the State Pathways in Technology Program as a public private partnership for purposes of preparing students for high skill jobs of the future in technology, manufacturing, health care, and finance. Specifies the core benefits of the Program for participating students, including an opportunity to earn an Associate in Science degree or an Associate Degree for Transfer in a high tech field.

Digest: This bill would establish the California State Pathways in Technology (CA P-TECH) Program as a public-private partnership for purposes of preparing California students for high-skill jobs of the future in technology, manufacturing, health care, and finance. The bill would specify the core benefits of the program for participating students, including an opportunity to earn an Associate in Science degree in a high-tech field or an Associate Degree for Transfer in a high-tech field. The bill would express the intent of the Legislature that the CA P-TECH Program be funded through an appropriation in the annual Budget Act or in another statute.

Title: Employment Practices: Discrimination and Harassment

Fiscal Committee: yes

Urgency Clause: no

Disposition: Pending

Location: Senate Appropriations Committee

Code Section: An act to amend Sections ~~12940 and 12950.4~~ [12940, 12950.1, and 12965](#) of, and to add Sections ~~12941.5~~ [12923](#) and 12964.5 to, the Government Code, relating to employment.

Summary: Concerns a plaintiff in an action alleging discrimination or harassment. Provides that it suffices for a plaintiff to show that an employer knew that certain conduct was unwelcome to the plaintiff, that the conduct would meet the legal standard for harassment or discrimination if it increased in severity or become pervasive, and that the defendant failed to take all reasonable steps to prevent the same or similar conduct from recurring.

Digest: This bill would provide that a plaintiff in an action alleging that a defendant failed to take all reasonable steps necessary to prevent discrimination and

harassment from occurring, as described above, is not required to prove that the plaintiff endured harassment or discrimination and would provide that it suffices for the plaintiff to show that the employer knew that the conduct was unwelcome to the plaintiff, that the conduct would meet the legal standard for harassment or discrimination if it increased in severity or become pervasive, and that the defendant failed to take all reasonable steps to prevent the same or similar conduct from recurring.

The bill would prohibit an employer, in exchange for a raise or bonus, or as a condition of employment or continued employment, from requiring the execution of a release of a claim or right under FEHA or to require an employee to sign a nondisparagement agreement or other document that purports to deny the employee the right to disclose information about unlawful acts in the workplace, including but not limited to, sexual harassment. The bill would provide that an agreement or document in violation of either of those prohibitions is contrary to public policy and unenforceable.

This bill would instead make the above provision apply with respect to any type of harassment prohibited under FEHA of employees, applicants, unpaid interns or volunteers, or persons providing services pursuant to a contract in the workplace.

This bill, instead, would require an employer, as defined under FEHA, to provide that training to all employees in California within 6 months of their hire and once every 2 years. The bill also would require an employer to provide bystander intervention training, as specified, and to provide information to each employee on how to report harassment and how to contact the department to make a complaint.

This bill would provide that a prevailing defendant is prohibited from being awarded fees and costs unless the court finds the action was frivolous, unreasonable, or totally without foundation when brought or that the plaintiff continued to litigate after it clearly became so.

This bill would declare the intent of the Legislature about the application of FEHA in regard to harassment.

Title: Cannabis: Local Jurisdiction: Prohibitions on Delivery

Fiscal Committee: no

Urgency Clause: no

Disposition: Pending

File: A-19

Location: Senate Inactive File

Code Section: An act to amend Section 26200 of the Business and Professions Code, relating to cannabis.

Summary: Prohibits a local jurisdiction from adopting or enforcement any ordinance that would prohibit a licensee from delivering cannabis within or outside of the jurisdictional boundaries of that local jurisdiction.

Digest: This bill would prohibit a local government from adopting or enforcing any ordinance that would prohibit a licensee from delivering cannabis within or outside of the jurisdictional boundaries of the local jurisdiction.

The bill would include findings that the changes proposed by this bill address a matter of statewide concern, rather than a municipal affair and, therefore, apply to all cities, including charter cities.

This bill would declare that its provisions further specified purposes and intent of the Control, Regulate and Tax Adult Use of Marijuana Act.

Title: Local Sales Taxes: Online Sales: Place Of Delivery

Fiscal Committee: no

Urgency Clause: no

Disposition: Pending

Location: Senate Governance and Finance Committee

Code Section: An act to amend Section 7205 of the Revenue and Taxation Code, relating to taxation.

Summary: Provides that, in the case of a sale of tangible personal property by a qualified retailer that is transacted online, the place at which the retail sale of that tangible personal property is consummated for the purpose of a local sales tax imposed pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law is the point of the delivery of that tangible personal property to the purchaser's address or any other address designated by the purchaser.

Digest: This bill would instead provide that, in the case of a sale of tangible personal property by a qualified retailer, as defined, that is transacted online, the place at which the retail sale of that tangible personal property is consummated for the purpose of a local sales tax imposed pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law is the point of the delivery of that tangible personal property to the purchaser's address or any other address designated by the purchaser.

This bill would become operative only if Senate Constitutional Amendment 20 of the 2017-18 Regular Session is approved by the voters and, in that event, would become operative on January 1, 2020.
